1. FIREARMS: The Area has had problems maintaining a current contract for range services and is working on the problem. For almost the entire 2009 year, the entire Area has not shot at the range. Recently the Area has been allowed to shoot at the local Naval Base, and is attempting to solve the range problems.

2. Training and Certification

d. 4: The training is simply outstanding. Afterwards, they must re-certify through the Academy every two years. Ventura currently has 2 sergeants and 7 officers who are OST instructors. Out of those, 2 sergeants and 6 officers are also Division instructors.

We currently officer a two-day Enhanced Officer Safety Training (EOST) quarterly. Participation in this training is voluntary. The Area will still conduct an 8 hr OST day during 4th quarter to certify all of the sergeants and officers who have not attended an EOST course during the year.

Chapter Inspection: Officer Safety			
Inspector's Comments Regarding Innovative Practices:			

None

Command Suggestions for Statewide Improvement:

None

Inspector's Findings:

Due to the canceling of all contracts in the middle of the year and the request from Chief Fief to find a range facility which would be at a lower or no cost, officer's participation at the range was very limited. A delay in the new contract with the Ventura County Sheriffs range along with a delay in construction of a free Range offered by the Pt. Mugu Navel base uniformed personnel did not complete their required monthly shoots.

Commander's Response: ☒ Concur or ☐ Do Not Concur (Do Not Concur shall document basis for response)

There continues to be a delay with the County returning a signed contract. The range at the Navel Base has been completed and the Area has been able to use and schedule range dates. I do not anticipate having the same problem in the future.

Inspector's Comments: Shall address non concurrence by commander (e.g., findings revised, findings unchanged, etc.)
